✦ Objective

I am a dedicated and motivated recent graduate in Software Development from Rosebank College (2024), seeking a full-time position or internship in the IT field. I aim to apply my knowledge of programming, databases, and web development to contribute to a forward-thinking organization while continuing to grow my skills and gain practical experience in the software industry.

💼 Experience

Dail a StockTaker — *2022 - Present*
Stocktake
• Assisted in physical stocktaking by counting, recording, and verifying stock levels on retail shelves.
 • Worked primarily on weekends and during non-peak hours to minimize disruption to store operations.
 • Helped with packing food items and arranging stock according to layout and organizational standards.
 • Worked under tight timeframes and often after-hours to meet client deadlines and ensure smooth execution.
 • Gained hands-on experience in retail operations, teamwork, and understanding the importance of accurate inventory.
 • Supported the company's mission of reducing stress for retailers by ensuring efficient and reliable stocktake support

InvestHood IT — *July 2025 - June 2026*
Software Intern at InvestHood IT
Currently undergoing hands-on training as a Software Developer Intern at InvestHood IT (12 months intern)
